

Wines & Cavas

Parés Baltà has been a family-owned winery since 1790. We practice biodynamic farming in a unique range of soils, climates and varieties, which give a special personality to our wines.

M^a Elena Jiménez and Marta Casas, winemakers and sisters-in-law, are in charge of bringing the essence of each grape to the glass.

In 2003 we started a new project in the Priorat region, Gratavinum, and 2 years later a new adventure in Ribera del Duero, Dominio Romano. Jordi Fernàndez is the winemaker in both wineries.

Taste our wines and let them surprise you... Each wine has its own story and character.
